

The Spiritual Reading

A spiritual Reading is not a psychic "Reading". It does not predict the future nor instruct the person how to lead their life and make their decisions. A Spiritual Reading is a conversation with your soul.

When you come for a Reading, your soul gives permission for certain information to be revealed concerning who you are on a deep spiritual level. We are eternal beings. We have lived many times previously and the experience of each life is written into the very contours of the soul.

This individual make-up of the soul is revealed through the "soul colours". Each colour is created through the past experiences of the soul, and an understanding of these colours leads us to a greater perception of ourselves and our purpose for this incarnation.

As we understand more deeply who we are and how we came into this incarnation bearing certain gifts and taking on particular responsibilities, we become more able to plan our own course in life; to express our unique "individuality".

It is the expression of the "individuality" through the encounter with eternity which is the purpose of the Spiritual Reading.
